Pozivamo vas da prisustvujete gostujućem predavanju dr. Shin Yokoo, japanskog arhitekta, koji će se održati u četvrtak, 03. aprila 2019. u 13:00 sati, sala Burence Arhitektonskog fakulteta Univerziteta u Sarajevu pod naslovom:

Razmišljanje o arhitekturi iz dvije perspektive
Arhitektonsko projektovanje i projektovanje konstrukcija
Shin Yokoo

Dr. Shin Yoko je registrirani arhitekt u Japanu. Nakon što je 2001. diplomirao na Sveučilištu Tokai (Japan), gdje je diplomirao i usavršio arhitekturu, prve tri godine karijere proveo je radeći kao građevinski inženjer u Masahiro Ikeda co. Jedinственe vještine i iskustvo stečeno tokom ovih godina i dalje utječu na njegov pristup dizajnu. To je dovelo do uspostave **OUVI**-a, dizajnerskog ureda za dizajne i arhitektonske projekte sa sjedištem u Tokiju od 2004. godine. Doktorirao je na Sveučilištu znanosti u Tokiju 2016. godine, a sada predaje na Sveučilištu u Beogradu, u sklopu programa inostranih studija za umjetnike, Vlade Japana, za 2017. godinu.
