

## **Shin YOKOO**

Structural engineer and Architect, Ph.D.

Senior registered architect in JAPAN

Citizenship; Tokyo Prefecture, Japan

Gender; Male, Marital Status; Single

### **■Contact Details**

Email : yokoo@ouvi.nu      Mobile: +381 61 3138012

Address: Brace grim20, Belgrade, 11000, SERBIA

### **■Education**

**1994-1999 Architecture Bachelor's degree**, Tokai University (JAPAN), Faculty of Engineering, Department of Architecture

**1999-2001 Architecture Master's degree**, Tokai University (JAPAN), Faculty of Engineering, Department of Architecture

**2012-2016 Architecture Doctor's degree**, Tokyo University of Science (JAPAN), Faculty of Science, Department of Architecture (Mentor: Prof., Tatsuo Iwaoka)

### **■Track record in Securing external funding**

Japanese government overseas study program for Artist in 2017

### **■Main RESEARCHES**

Ph.D. thesis

"Tectonic Features in Early Collaboration Works of Jean Prouvé viewed from Building Components"

Published by Architectural Institute of Japan

"Design feature of "Maison du peuple de clichy" designed by E.Beaudouin, M.Lods, J. Prouvé"

Jun. 2015, Academic papers with referees

"Study on the Relationship between Features and Building Components of "Aero-Club Roland-Garros a Buc""

Jun. 2015, Academic papers with referees

"Study on the Relationship between Features and Building Components of "Maison démontable en acier B.L.P.S.""

Sep. 2017, Academic papers with referees

### **■Work Experience**

2001-2003 MASAHIRO IKEDA co., Ltd, Assistant

2004-      OUVI (<http://www.ouvi.nu>), Tokyo, JAPAN, Office director

### **■Language**

Japanese ----- Native

English ----- Fluent (upper intermediate)

Serbian ----- beginner

■**Teaching experience** (one class is 90 minutes)

**2006-2010, Part-time Lecture, Tokai University, JAPAN**

Design Studio, 1<sup>st</sup> semester-two classes per week/ 2006

Design Studio, 1<sup>st</sup> semester-two classes per week/ 2007

Design Studio, 1<sup>st</sup> semester-two classes per week/ 2008

Design Studio, 1<sup>st</sup> semester-two classes per week/ 2009

Seminar of structure theory, 6th semester-two classes per week/ 2010

**2011-2017, Part-time Lecture, Tokyo University of Science, JAPAN**

Design Studio, 5th semester-three classes per week/ 2011 – Build a chair thought from structural design

Design Studio, 5th semester-three classes per week/ 2012 – Build a chair thought from structural design

Design Studio, 5th semester-three classes per week/ 2013 – Build a chair thought from structural design

Design Studio, 5th semester-three classes per week/ 2014 – Build a chair thought from structural design

Design Studio, 5th semester-three classes per week/ 2015 – Build a chair thought from structural design

Design Studio, 5th semester-three classes per week/ 2016 – Project; Modernize the your elementary school

Design Studio, 5th semester-three classes per week/ 2017 – Project; Modernize the your elementary school

**2016-2017, Part-time Lecture, Nippon Institute of Technology, JAPAN**

Design Studio, 5th semester-five classes per week/ 2016 – Project; Entrepreneur in residence

Design Studio, 5th semester-five classes per week/ 2017 – Project; Entrepreneur in residence

**2017-, Guest Lecture, University of Belgrade, SERBIA**

Design Studio, 7th semester -six classes per week/ 2017 – Project; University of Architecture in Belgrade

Design Studio, 6th semester-six classes per week/ 2018 – Project; Complex building

Extra workshop by RIBA, POLYARK: SUPERMEGACRIT 2018 – Project; PolyArk5 – Poly Air

Design Studio, 5th semester-three classes per week/ 2018 – Project; Multi-family housing

■**Education Activity**

**Keynote Speaker**

INDIS2018 International Conference/ Nov. 21. 2018, University of Novi Sad, Novi Sad, SERBIA

**Lecture**

East Asia Architecture Forum/ Oct. 7-20. 2016, Qingdao, CHINA

Lecture in workshop/ E.N.S.A.P.L.(FRANCE), Apr. 24. 2018, Lille, FRANCE

Guest lecture series/ May. 17. 2018, University of Belgrade, Belgrade, SERBIA

Oktobarh Conference/ Nov. 30. 2018, University of Novi Sad Headquarters, Novi Sad, SERBIA

**Guest Jury**

E.N.S.A.P.L.(FRANCE)+MEIJI University(JAPAN) workshop, Apr. 20. 2016, Tokyo, JAPAN

E.N.S.A.P.L.(FRANCE)+Tokyo University of Science(JAPAN) workshop, Apr. 26. 2018, Lille, FRANCE

**Organized Workshop**

University of Novisad (SERBIA)+Tokyo University of Science(JAPAN) workshop, Jun. 25-29. 2018, Novisad, SERBIA
