

**ROBERT PLAGA**

Minister of Education, Youth and Sports

Prague, 23/1/21 February 2021  
Ref. No.: MSMT-4177/2021-1

Distinguished Rector,

Allow me to inform you and your university about another round of the worldwide architectonic competition organised under the global project INSPIRELI.

The INSPIRELI Awards contest, currently at its 6<sup>th</sup> year, is the world's largest international talent competition for students. Its objective is to help facilitate the career launch of talented architects and designers from all over the world, regardless of their economic, ethnic or social background.

INSPIRELI Awards brings together students of architecture and established professionals from 142 countries and all continents. Its jury, composed of over 500 architects from more than 100 countries, including the Holy See of Vatican, constitutes the largest jury in the history of architecture. The competition is partnered with the Africa Union of Architects, Union of Mediterranean Architects and Visegrad Group. INSPIRELI Awards finalists obtain Certificate of Recognition from the American Institute of Architects (European Chapter) which invites them to join the organisation after having successfully finished their studies.

This year, the Department of Architecture of the Czech Technical University in Prague, as the competition's organizer, together with the Beirut Municipality invite the students of your university to present their author design of the new Beirut city port which was destroyed in August 2020. The objective of this unique project is to focus efforts of students from all around the world on one common goal: to help the city affected by a catastrophic event.

The winners will become part of the team responsible for the city's reconstruction and revitalization. Furthermore, their project will help support the port's reconstruction economically. Therefore, we would like to kindly ask you, your university and its students to actively participate in this exclusive competition.

Distinguished Rector, it would be a great honour if your university took part in the contest and eventually helped promote it among students in your country.

Should you be interested in the project, please, contact the INSPIRELI contest President, Dr. Karel Smejkal (smejkal@inspireli.com). Should there be a representative or a student of your university willing to help with the project coordination, the organizers of the INSPIRELI contest would appreciate to be provided with their contact details which can be sent to the above-mentioned e-mail as well.

Further information can also be found on the following website: [www.InspireliAwards.com](http://www.InspireliAwards.com).

Yours faithfully,

A handwritten signature in blue ink, appearing to be 'K. Smejkal', is located in the upper right quadrant of the page. The signature is fluid and cursive, with a long horizontal stroke extending to the right.

## **Doložka konverze do dokumentu obsaženého v datové zprávě**

Tento dokument, který vznikl převedením vstupu v listinné podobě do podoby elektronické pod pořadovým číslem **136186932-257609-210224141629**, skládající se z **2** listů, se doslovně shoduje s obsahem vstupu.

Vstup bez viditelného prvku.
